Au Profit de l'Association **TRI MANOLD**

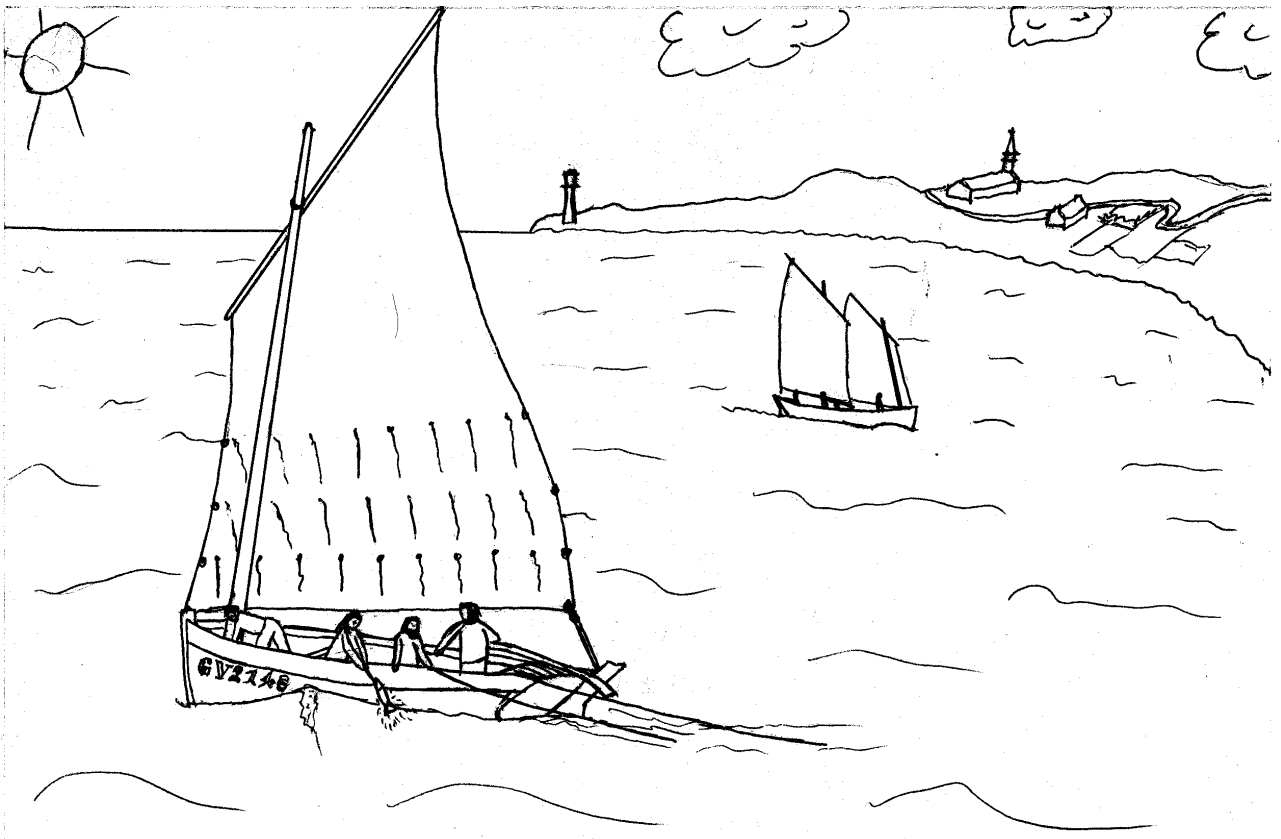

Il fait grand vent, Notre ami pêcheur
rentrera vite, ce soir.

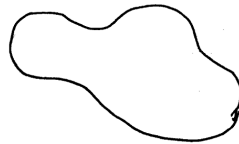

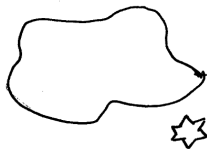

Marée basse. Il faut aussi cultiver le jardin, réparer les filets.

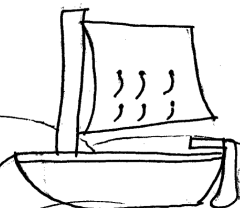

Ce soir, on ne rentre pas. On "cabane" près des lieux de pêche.

Les maquereaux mordent bien! nous les mangerons grillés au feu de bois.

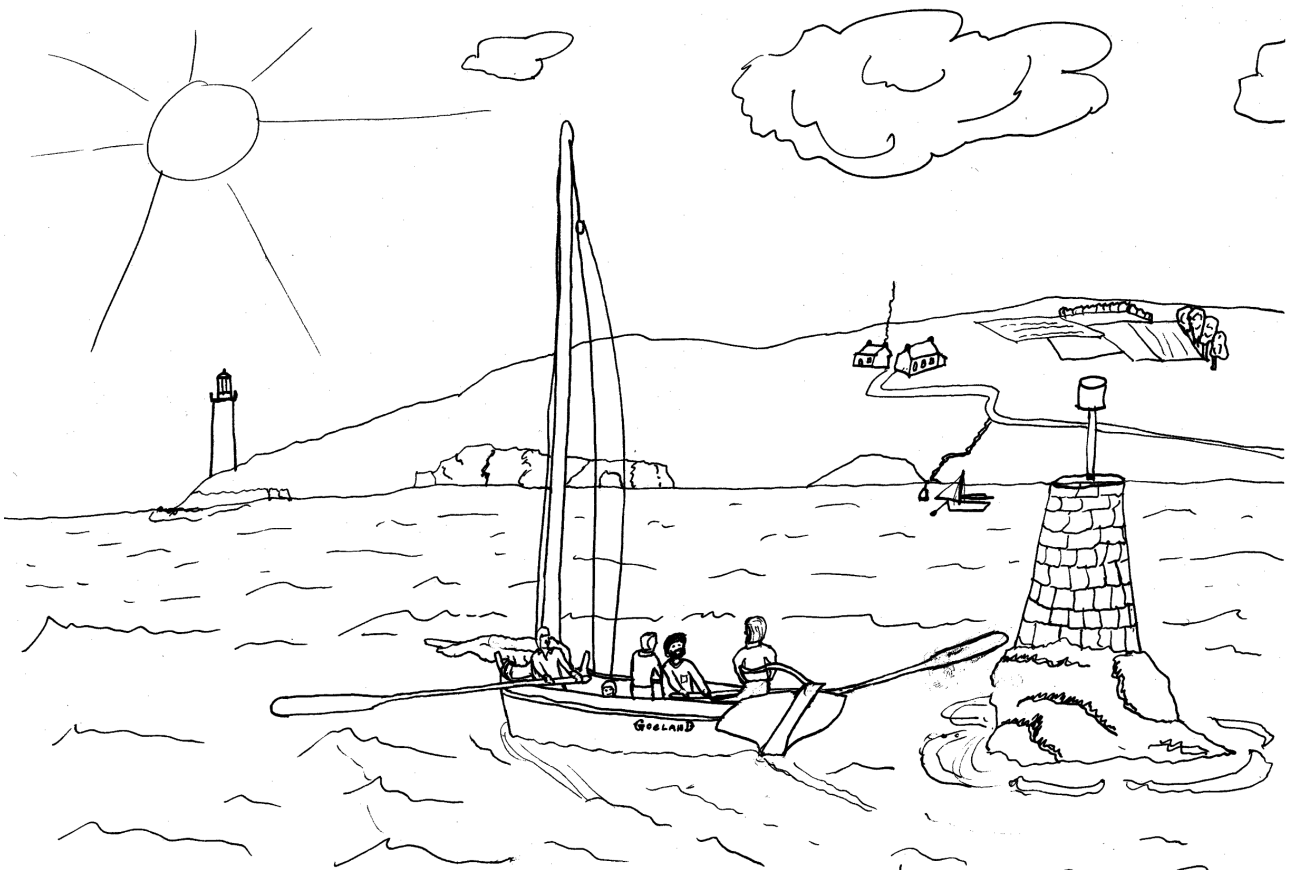

C'est la nuit, tout est calme...

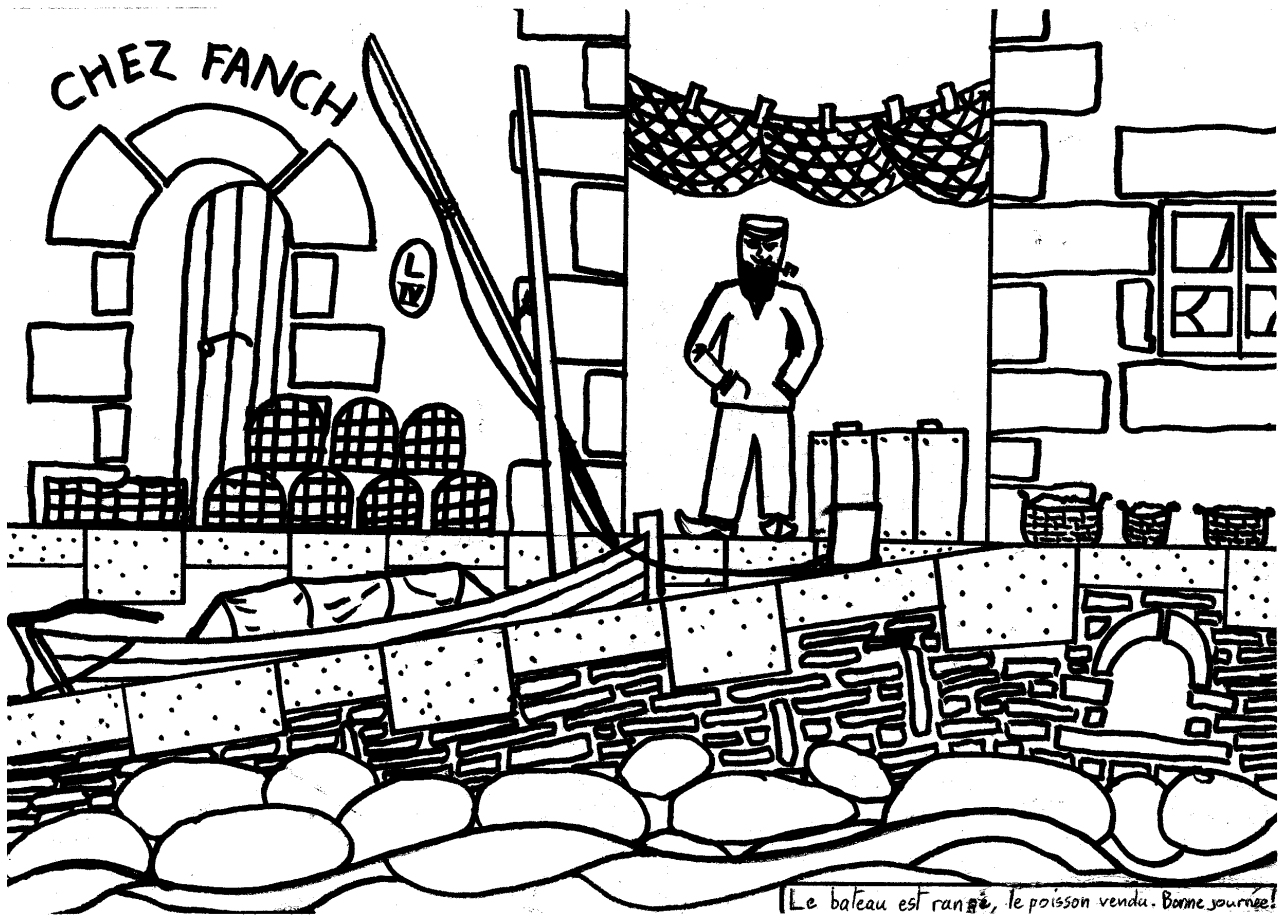

Ce dimanche, des amis se marient. Quelle fête!

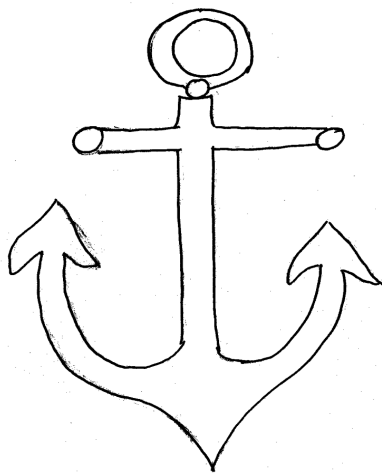

Plus de vent!

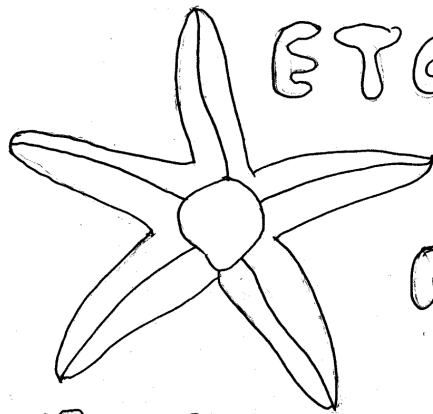

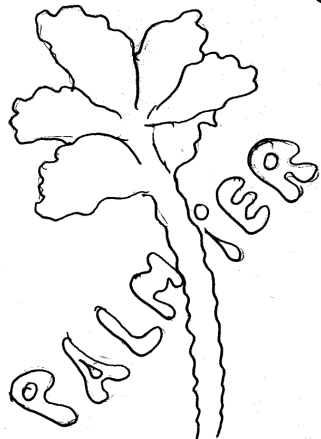

On pêche mieux le matin. Nous partons avant l'aube!
